

# Grosse Pointe South SCIENCE

Graduation requirements: 3 credits

(1) Biology (1) Chemistry or Physics (1) Additional science credit

**\*\*All students must have an earth science experience (unless they take honors biology as a freshman)**

## CORE COURSES

Science learning through rigorous core curriculums

	Freshmen	Sophomore	Junior	Senior
Sample trajectory 1 (approx. 50% of current freshmen)	Earth Science	Biology + science electives	Chemistry + science electives	Physics + science electives
Sample trajectory 2 (approx. 30% of current freshmen)	Honors Earth Science	Honors Biology + science electives	Honors Chemistry + science electives	Honors Physics + science electives
Sample trajectory 3 (approx. 20% of current freshmen)	Honors Biology	Honors Chemistry + science electives	Honors Physics + science electives	Science electives

## ELECTIVES

Explore engaging content in popular elective courses

- Zoology

- Forensics

- Geology

-Astronomy

- Anatomy and Physiology

- Organic Chemistry

### Advanced Placement Elective Offerings

-AP Biology

- AP Chemistry

- AP Physics

-AP Environmental Science
